

The Commemorative Bench Program

HONOR LEGACIES. MARK YOUR MEMORIES.

In partnership with the City of Coral Gables, the Coral Gables Community Foundation offers The Commemorative Bench Program. The program provides a meaningful way for people, nonprofit organizations, government organizations and companies to honor the legacy of a loved one, a special milestone, or commemorative event with a bench in one of the City's green spaces or parks.

BENCHES

Please submit your proposed plaque inscription for approval on the next page. The commemorative benches are 6 feet long, UV and moisture resistant and have an estimated 15-year lifetime.

The list of available parks and green spaces is provided on Page 3.
