

The Biltmore Ball to benefit the Coral Gables Community Foundation Sponsorship Opportunities

The Biltmore Ball to benefit the Coral Gables Community Foundation will provide strategic branding opportunities for your Company among distinguished members of our community by showcasing your Company's generous support of the Community Foundation.

All eyes will be on your Company among our 400+ hyper-local, affluent guests who comprise a who's who of Coral Gables residents, business owners, elected officials and leaders of philanthropy. Serving as the social affair in Coral Gables, we will treat our guests to a glamorous evening reminiscent of the rich Spanish culture.

Celebrating 26 years, the Foundation's Board of Directors, donors and community contacts are comprised of a long-line of prominent Coral Gables residents, community and civic leaders and business owners. Coral Gables residents have a higher propensity to make high-end personal purchases based on the fact that the average Household Income is \$125,000 compared to \$61,000 in Miami-Dade County. The largest "piece of the pie" for average home value in Coral Gables is at 22.13%/SFR (single family residential) \$500,000-\$750,000. The Coral Gables Community Foundation's Ball target audience Household Income is +\$150,000.00, when tickets are priced at \$500 each.
